Subject: Chicago visit

Hello Peter,

I spoke with you a few times and have communicated with you about the County Road 595 project in the Upper Peninsula that was recently denied by the Michigan Department of Environmental Quality. I will be in Chicago the last week of February and I was hoping to meet with you for a brief discussion about that project. Do you have 10-15 minutes to talk with me? I could do any time on the 26th or 27th.
